Newark, N. J.
The Newark Museum Association
Opening November 2, 1912

This Exhibition of Selected Water Colors by American Artists, is formed to serve a number of institutions. The larger portion of the exhibition consists of pictures selected from the annual exhibition of the American Water Color Society, held in New York City in the Spring of 1911. The selection was made by the late Professor Halsey C. Ives, Director of the City Art Museum, St. Louis, with the co-operation of Mr. J. C. Nicoll, for many years president of the Society. Since then the pictures have been on exhibition in the Art Galleries of St. Louis, Buffalo, Pittsburg, Grand Rapids, Detroit, Toledo, Chicago, Indianapolis, Utica, and Oberlin, Ohio. From time to time the collection has been enlarged by works secured directly from the studios of the artists. The pictures in this collection are for sale. Prices will be given on application at the office.
